Portfolio Analysis in Quantitative Finance: New offer in Capital Markets and Corporate Finance

Starting summer term 2015, the lecture *Portfolio Analysis* can be chosen in the module (FPO 2007) / section (FPO 2014) *Capital markets and Corporate Finance*. If it has already been passed in summer term 2014 or earlier, it can be transferred from the Minor Subject *Empirical Economics* to *Capital Markets and Corporate Finance*. In the programme *Quantitative Finance* it can no longer be chosen in the Minor Subject *Empirical Economics*.
