

## **Resolution to Section 15 of the Habilitation Regulations of 12 March 2020**

The Dean declares that, in accordance with Section 15 of the Habilitation Regulations of 12 March 2020, the habilitation graduate must hold a public inaugural lecture within one year. He finds this regulation makes little sense for habilitation graduates who are appointed as a professor at another university very soon after the habilitation.

The Habilitation Committee agreed unanimously on 13 May 2020:

As Section 15 of the Habilitation Regulations of 12 March 2020 contains a recommendation, the habilitation graduate can apply to the Chairperson of the Habilitation Committee for exemption from the public inaugural lecture, stating reasons. The decision on this application will be made by the Chairperson of the Habilitation Committee.
