

## **Resolution to Section 7 (2) of the Habilitation Regulations of 12 March 2020**

The Habilitation Committee agreed unanimously on 13 May 2020:

A cumulative habilitation in accordance with Section 7 (2) of the Habilitation Regulations of 12 March 2020 must be of equal value overall to a habilitation paper. A cumulative habilitation therefore generally consists of at least four publications in peer-reviewed, scientific journals. Evidence of the scientific quality of the respective publishing media must be undertaken by the affected institutes of the Faculty in a written statement.
